

YOUR NAME & GROUP: \_\_\_\_\_

INTERVIEWEE NAME & GROUP: \_\_\_\_\_

## Reflection & Interview

1. Pick one project that you really enjoy from another studio and write a reflection that focuses on your overall impression of the work. Elaborate on a word that describes its aura. How does it creatively address a concept or a tectonic logic? What makes it fun? What feedback would you give them?

2. Interview a group member from your chosen project and convey their group's design narrative in your own words.
